

## Test Case - UI Test Delete playlist

### Prediction:

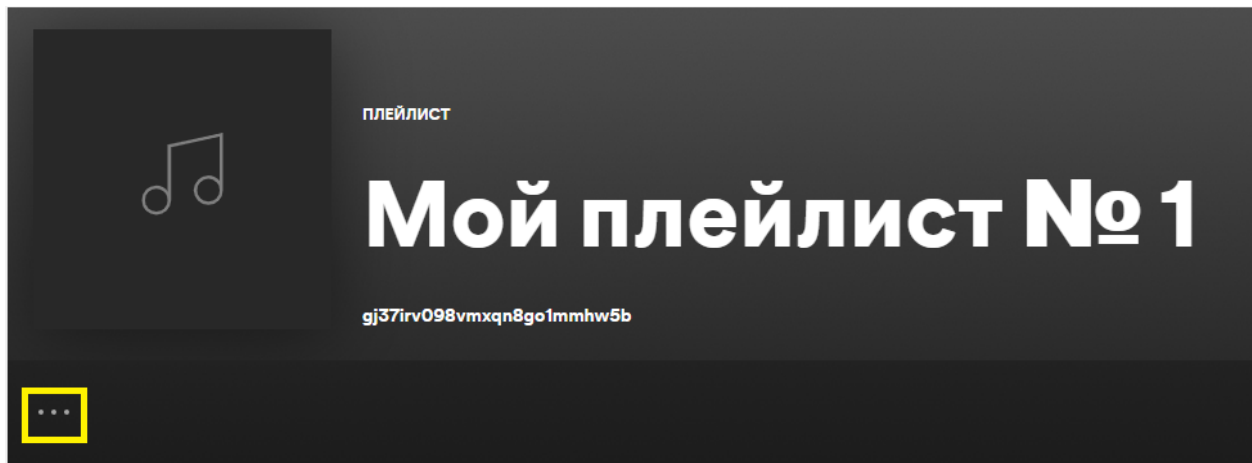

Website opened <https://open.spotify.com/playlist/5LomdnJZ8XbuH1bpOPi5PS>.

logged into account.

The user has a created playlist (the presence of songs in it is not necessary).

### Test case steps:

1. In the navigation menu located on the left of the page, select the created playlist.
2. Click on the context menu button.

3. Select "Удалить" in the menu that appears.
4. In the pop-up window, select "Удалить".
5. Check that the playlist to be deleted is not in the navigation menu.
